# Neutralize odors in your eco-friendly island

## Layout example for eco-friendly island in Restaurants and Hotels

### Full Air treatment

Neutralizing odors liquid with exclusive formulation. Fully biodegradable, diluted in water and sprayed is able to reduce odors of different nature without covering. Olfactometric numerous tests ensure abatement efficiencies of the odor by 90 %, both indoors and outdoors.

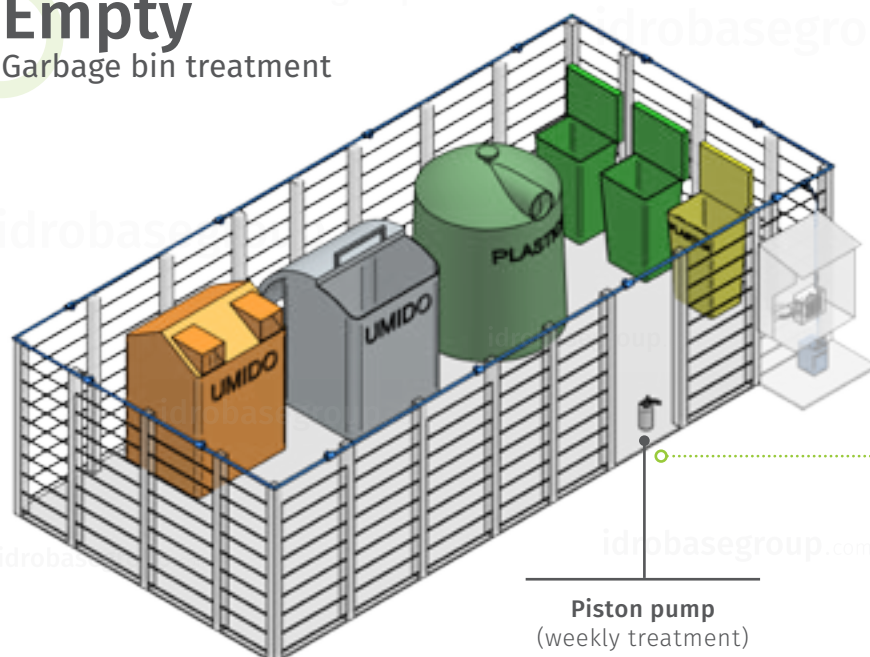

#### So-Industriale diluted at 1%

**Kit Fog 25**  
The system works with 1' ON and 1' OFF (daily treatment as needed)

Thanks to the air **nebulization** of our product, you will be able to **neutralize the unpleasant odors** caused by the organic matter decomposition.

### Empty Garbage bin treatment

SO-BIO is a concentrated liquid product enhancing the aerobic biological digestion of fats, proteins and starches contained in municipal solid waste (MSW). SO-BIO does not contain pathogenic bacteria, it is a harmless product for man and animals and it is biodegradable.

#### So-Bio diluted at 4%

**Piston pump**  
spray a mixed solution directly on the area to be treated
